This meeting is organised in the framework of the [European Platform for Rehabilitation \(EPR\) Annual Conference 2011](#), that is being held in Athens, Greece, on **10 and 11 November 2011**.

The Conference will highlight two main issues at stake for providers of services to persons with disabilities. On Day 1, participants will gain insight into the challenges of reintegrating youngsters. On Day 2, the Conference will explore the role of human resources in relation to the quality of rehabilitation services, and discuss how to optimise the use and management of staff.

The event "**Outcome Measurement in Vocational Rehabilitation**" will take place on 9 November 2011, during the afternoon session. This event is only open to EPR members.

The [European Platform for Rehabilitation \(EPR\)](#) is a network of European providers of rehabilitation services to people with disabilities and other disadvantaged groups.
